Proceedings of the Government of
H. H. the Maharaja of Mysore.

Read:-

~~Government Order~~ G.O. No. 156-214/Dis.9-23-6 dated 10th January 1924 ~~passing orders~~ in regard to the supply of fodder from the channel tracts of the Mysore District, ~~and~~ the malnad, to the affected places in the Tumkur and Kolar Districts.

Order No. 284-95/D 9-23-9
Dated, Bangalore the 13th Jan. 24.

In para 9 of the above order, Government directed that the paddy straw collected in the channel area should be sold at cost price including transport charges up to the Depots. It has since been ascertained that the channel tracts fodder would cost about Rs. 40/- per ton or more, ~~and~~ it is ~~likely~~ that the whole quantity would be taken up by rich people ~~unless some sort of concession is shown~~ to the poorer classes. Government therefore direct that in the case of ryots who pay Kandayam of Rs. 100/- and above, the full price should be realised before actual delivery of the fodder, ~~and~~ but in the case of ryots who pay Kandayam of Rs. 25/- and below, the price need not be ~~paid~~ insisted on delivery, but may be treated as Takavi Loan to be collected in two annual instalments. This concession, it is hoped, would encourage the poorer classes also to ~~go in for the fodder from~~

~~the channel area~~.

2. The Agricultural Department will decide the centres at which these fodder Depots should be opened in the Kolar and Tumkur Districts and the Deputy Commissioners of these districts ~~should~~ are requested to ascertain the quantities that may be required in ~~different localities~~ such Centres and ~~send~~ arrange to send indents to the Director of Agriculture. The Revenue Department ~~is held~~ will be responsible ~~for~~ the ~~delivery of~~ supplying of fodder to the proper persons, who ~~have asked for them and they should also~~ keep proper accounts under the two systems of ~~payments~~ sales (1) for ~~the~~ cash payments and ~~the other for the Takavi Loans given for fodder~~ Sales in which an amount as Takavi loan.
